HISTORY

COMPANY PROFILE

Organizer Precision Tools Co., Ltd. was established in 1985. We began as a manufacturer specializing in metal stamping and hardware accessories, and have been dedicated to the design and manufacture of tool storage solutions since 1988. With over 40 years of manufacturing experience, we have built a strong reputation for quality, reliability, and innovation. Our commitment to superior craftsmanship and outstanding customer service has earned the trust of customers worldwide.

Driven by continuous innovation, Organizer Precision Tools has evolved into a fully integrated manufacturer with in-house capabilities in product design, tooling development, engineering, and production. We work closely with our customers to develop practical, high-quality storage solutions that meet the changing needs of both professional users and DIY markets.

Today, our extensive product portfolio includes magnetic tool holders, socket organizers, wrench racks, pliers holders, screwdriver organizers, and a wide range of garage and workshop storage solutions. We also provide OEM and ODM services, helping customers bring innovative ideas to market efficiently and competitively. Organizer Precision Tools is committed to being your trusted long-term manufacturing partner.

ORGANIZER PRECISION TOOLS CO., LTD.
Passed ISO9001 : 2015 SGS Certification in May, 2018.
